Regarding permitted uses, the property is zoned Central Business (CB) and is subject to the Visitor serving (V) overlay district. ### Chain Businesses

## NEARBY DEVELOPMENTS

### LINDEN SQUARE

(700 Linden Ave)

This massive adaptive reuse project spanning an entire block of Linden Avenue is scheduled for completion in 2025. The entire 19,000 SF ground floor is fully leased in advance to a host of established restaurant and retail operators. Triple-net rents reportedly range from \$2.50 to \$4.00 PSF, which is setting a new standard for Linden Avenue.

### 'THE PALMS' HOTEL CONVERSION

(701 Linden Ave)

Renovation plans received a “yes” vote in May 2025 from the Carpinteria Architectural Review Board to revitalize and reopen The Palms, an iconic and beloved restaurant and music venue. The current plan — which still requires official approval — focuses on the historic aspect of the property and aims to retain aspects like its brick walls and roof-level parapet. With a unanimous sentiment in support of its return, The Palms is set to be yet another bright spot on Linden Avenue’s near-term revitalization.

### SURFLINER INN

(499 Linden Ave)

The two-story hotel will have a beach/farmhouse design of board and batten siding to fit in with the Beach Neighborhood’s architectural character. The proposed Surfliner Inn—named after the Pacific Surfliner train that connects California’s Southern Coast—will have 40 rooms. The new Surfliner Inn would represent the first hotel development on Linden Avenue in decades, paving the way for a richer tourist experience.
