HIGHLIGHTS

TROPHY INVESTMENT

Santa Barbara is among the most sought after destinations in the country for its inviting Mediterranean climate, red-tiled Spanish architecture, picturesque waterfront, restaurants, wine tasting, outdoor recreation and pristine beaches. Located across from the Hotel Santa Barbara, a block from the Paseo Nuevo regional mall, and central to a downtown core brimming with shopping, dining and arts, the property offers unmatched access to the area's 6.5 million annual visitors.

NEW, MODERN CONSTRUCTION

The newly constructed building features distinctive architecture, natural light throughout, tech-friendly infrastructure, and on-site parking. 25 W Cota is positioned to command strong rental income for the foreseeable future while keeping costs of ownership low due to the newness of construction and the quality of its buildout.

HIGH BARRIERS TO ENTRY

Due to geographic constraints and a stringent government approval process, commercial development in the market is very limited protecting a buyer's downside. However, residential development continues to see strong support and active projects, with over 500 residential units in the planning and processing stages within a few blocks of the property which will add to the potential patrons and employee base in the surrounding area.
