Well-maintained and lovingly cared for San Roque duplex which has been owned by the same family for over 48 years. This turnkey property consists of two 952 square foot 2BD/1.5BA townhomes making it an ideal opportunity for an owner-occupant, a dual family purchase, or for an investor looking for quality units. Each unit offers panoramic mountain views, newer appliances, private rear patios, individual personal laundry areas, and off-street covered parking. Ownership has been proactive on maintenance/updates and has improved each unit with newer wood-like laminate flooring, newer Milgard dual-pane windows (2018), repairs to the roof (2025), and a new slurry coat to the driveway (to be completed before the COE). Both units are currently rented for \$3,500 per month (approximately 15% below market) with tenants paying for their own utilities¹. This is one of the best values available in Santa Barbara to obtain over 1900 SF of living space in the sought after San Roque neighborhood and Hope/La Colina School district which is just moments from uptown Santa Barbara's shopping, financial services and restaurants.

(1) Landlord pays water, sewer, and trash, then bills tenants for 85% of the monthly cost, split per person per unit.
