As used herein, "Confidential Information" means all data, reports, interpretation, forecasts, records and other information concerning or relating to the potential transaction or the Property including any offering material and/or broker correspondence, which is not available to the general public and which we, our affiliates or representatives may provide to you in the course of your potential purchase of the Property, together with analyses, compilations, studies or other documents, whether or not prepared by us which contain or otherwise reflect such information. Notwithstanding the foregoing, Confidential Information shall not include (i) information which was already in your possession prior to the date hereof,

(ii) information which is obtained by you from a third person who is not prohibited from transmitting the information to you, or (iii) information that is publicly available.

By entering into this Confidentiality Agreement ("Agreement") and accepting the Confidential Information, Accepting Party agrees as follows:

Except for the sole purpose of evaluating the possible acquisition of the Property by Accepting Party, the Confidential Information will not be used for any other purpose, including, without limitation, for the purpose of contacting the Seller's tenants or soliciting additional buyers.
